Falkland Oil and Gas Limited - Placing to raise £50 million for Planned Drilling Programme

Falkland Islands Holdings Plc ('FIH') the international services Group, which owns essential services businesses focused on transport and logistics notes the announcement today by Falkland Oil and Gas Limited.

The FIH shareholding in FOGL remains unchanged at 15,000,000 ordinary shares representing a 10.26% interest.

The text of today's announcement by FOGL is shown below:

**NOT FOR RELEASE, PUBLICATION OR DISTRIBUTION, IN WHOLE OR IN PART, IN OR INTO THE UNITED STATES, CANADA, AUSTRALIA, JAPAN, SOUTH AFRICA, NEW ZEALAND OR THE REPUBLIC OF IRELAND (THE "RESTRICTED JURISDICTION") OR ANY OTHER JURISDICTION IF TO DO SO WOULD CONSTITUTE A VIOLATION OF THE RELEVANT LAWS OF SUCH JURISDICTION**

Falkland Oil and Gas Limited  
("FOGL" or "the Company")

Placing to raise £50 million for Planned Drilling Programme

FOGL, the oil and gas exploration company focused on its extensive licence areas to the South and East of the Falkland Islands, announces its intention to conditionally place 43,478,261 new ordinary shares of 0.002 pence in the capital of the Company ("Ordinary Shares") at a price of 115 pence per share (the "Placing Price") (the "Placing Shares") to raise £50 million before expenses (the "Placing"). The net proceeds will be used to fully fund FOGL's share of the costs of the planned drilling programme.

FOGL also announces that the joint venture between BHP Billiton and FOGL ("the Joint Venture") is in advanced discussions with Desire Petroleum plc ("Desire") to contract the Ocean Guardian rig to drill the first ever exploration well in the East Falklands Basin. Whilst discussions have reached an advanced stage, there can be no certainty that the Joint Venture will contract the Ocean Guardian. The Joint Venture intends to contract a deepwater rig for late 2010.

Placing to raise £50 million

The Company intends to conditionally place 43,478,261 new Ordinary Shares at a price of 115 pence per share to raise £50 million before expenses.

Oriel Securities has agreed to use its reasonable endeavours to procure subscribers for the Placing Shares. The Placing has not been underwritten.

The Placing is being conducted, subject to satisfaction of certain conditions, through an accelerated bookbuilding process to be carried out by Oriel Securities (the "Bookbuilding"). The timing of the closing of the Bookbuilding and allocations are at the discretion of the Company and Oriel

Securities. Completion of the Placing will be announced as soon as practicable after the close of the Bookbuilding.

The Appendix to this announcement (which forms part of this announcement) sets out the terms and conditions of the Placing.

#### Use of proceeds

The net proceeds of the fundraising will be used to fully fund FOGL's share of the costs of a drilling programme which could commence in the first half of 2010 with the Ocean Guardian and will also incorporate a deepwater programme of one committed well and other possible discretionary wells, which the Joint Venture expects to commence later in 2010. The net proceeds will also meet the Company's working capital requirements through to the end of 2011.

#### Exploration programme expected to commence in first half 2010

The Ocean Guardian has been contracted by Desire to drill a four-well programme and is expected to arrive in Falkland waters in early February 2010. The Joint Venture is in advanced discussions to contract this rig for the third slot in Desire's contracted programme, which it expects will be within the first half of 2010.

If contracted, the Ocean Guardian will be used to drill the Toroa prospect, which lies in water depths of between circa 550 and 730 metres. Some modifications will be required to enable the Ocean Guardian to drill in this depth of water. It is currently expected that the net cost to FOGL of these modifications plus the mobilisation and drilling costs will be approximately £12 million.

The Toroa prospect is situated approximately 140 kilometres (90 miles) south of Stanley, within the Company's 2002 licences. Toroa is a large prospect in the Cretaceous Springhill play. FOGL estimates that the Toroa prospect has mean, gross, unrisks prospective resources (recoverable hydrocarbons) of 1.7 billion barrels and a range between 380 million barrels (P90) and 2.9 billion barrels (P10). The well will be drilled to a total depth of approximately 2700 metres below sea level. The duration of the well is expected to be 35 days. Water depth at the planned location is circa 600 metres.

#### Deepwater exploration programme expected to commence in late 2010

Due to its location, the Toroa prospect is best drilled by an anchored rig, such as the Ocean Guardian; however, the other prospects which have been site surveyed - Loligo, Nimrod, and Endeavour - all lie in water depths greater than 1,000m and are best suited to being drilled by a dynamically positioned drillship or semi-submersible. The Joint Venture is looking to contract such a rig later in 2010 to complete its minimum work commitment of two wells and possibly drill other discretionary wells.

The net cost to FOGL for the mobilisation of a deepwater rig and the associated drilling programme is currently expected to be approximately £30 million.

This Appendix is exempt from the general restriction in section 21 of FSMA on the communication of invitations or inducements to enter into investment activity on the grounds that it is communicated only to persons who fall within Articles 19 and 49 of the Order (all such persons together being referred to as "Permitted Persons"). This announcement has not been approved by an authorised person. Any investment to which this announcement relates is available to (and any investment activity to which it relates will be engaged with) only those persons falling within Articles 19 and 49 of the Order. ## 2. Overseas jurisdictions

The distribution of this announcement and/or issue of Placing Shares pursuant to the Placing or otherwise in certain jurisdictions outside the United Kingdom may be restricted by law. Persons who seek to participate in the Placing must inform themselves about and observe any such restrictions. In particular, this announcement does not constitute an offer to sell or issue or the solicitation of an offer to buy or subscribe for Placing Shares in the United States, Canada, Australia, Japan, South Africa, New Zealand or the Republic of Ireland or any other jurisdiction in which such offer or solicitation, publication or distribution is or would be unlawful. Persons receiving the announcement including this Appendix (including, without limitation, custodians, nominees and trustees) must not distribute, mail or send it in, into or from the United States, or use the United States mails, directly or indirectly, in connection with the Placing, and by so doing may invalidate any related purported application for Placing Shares.

The Placing Shares have not been and will not be registered under the US Securities Act of 1933, as amended ("US Securities Act") or under the securities laws of any state or other jurisdiction of the United States, and, subject to certain exceptions, may not be offered or sold, resold or delivered, directly or indirectly in or into the United States, or to, or for the account or benefit of, any US persons (as defined in Regulation S under the US Securities Act). No public offering of the Placing Shares is being made in the United States. No money, securities or other consideration from any person inside the United States is being solicited pursuant to this announcement or the Placing.

## 3. Placing

Oriel Securities is arranging the Placing as agent for and on behalf of the Company. Oriel Securities will determine in its absolute discretion the extent of each Placee's participation in the Placing, which will not necessarily be the same for each Placee. No commissions will be paid to or by Placees in respect of their agreement to acquire any Placing Shares.

Each Placee will be required to pay to Oriel Securities, on the Company's behalf, the Placing Price for each Placing Share allocated to it by Oriel Securities and agreed to be acquired by it under the Placing in accordance with the terms set out in this Appendix. Each Placee's obligation to acquire and pay for Placing Shares under the Placing will be owed to each of Oriel Securities and the Company. Each Placee has an immediate, separate, irrevocable and binding obligation, owed to Oriel Securities, to pay to it (or as it may direct) in cleared funds an amount equal to the product of the Placing Price and the number of Placing Shares allocated to such Placee and which it has agreed to subscribe for. Each Placee will be deemed to have read and understood this Appendix in its entirety, to be participating in the Placing upon the terms and conditions contained in this Appendix, and to be providing the representations, warranties, agreements, acknowledgements and undertakings, in each case as contained in this Appendix. To the fullest extent permitted by law and applicable FSA rules (the "FSA Rules"), neither (i) Oriel Securities, (ii) any director, officer, employee or consultant of Oriel Securities, or (iii) to the extent not contained within (i) or (ii), any person connected with Oriel Securities as defined in the FSA Rules ((i), (ii) and (iii) being together "Affiliates" and individually an "Affiliate"), shall have any liability to Placees or to any person other than the Company in respect of the Placing.

## 4. Participation and settlement

Participation in the Placing is only available to persons who may lawfully be, and are, invited to participate in it by Oriel Securities.

A Placee's commitment to acquire a fixed number of Placing Shares under the Placing will be agreed orally with Oriel Securities. Such agreement will constitute a legally binding commitment on such Placee's part to acquire that number of Placing Shares at the Placing Price on the terms and conditions set out or referred to in this Appendix and subject to the Company's Memorandum and Articles of Association.

After such agreement is entered into, a written confirmation will be dispatched to the Placee by Oriel Securities confirming (i) the number of Placing Shares that such Placee has agreed to acquire, (ii) the aggregate amount such Placee will be required to pay for those Placing Shares and (iii) settlement instructions. It is expected that such written confirmations will be despatched by the date on which this announcement is published and that the "trade date" for settlement purposes will be 26 November 2009 and the "settlement date" will be 1 December 2009.

Settlement of transactions in the Placing Shares (ISIN: FK00B030JM18; SEDOL: B030JM1) will take place within the CREST system, subject to certain exceptions, on a delivery versus payment ("DVP") basis. Placees should settle against CREST ID: 601. Oriel Securities reserves the right to require settlement for and delivery of any Placing Shares to any Placees by such other means that it deems appropriate if delivery or settlement is not possible or practicable within the CREST system within the timetable set out in this Appendix or would not be consistent with the regulatory requirements in any Placee's jurisdiction. A Placee whose Placing Shares are to be delivered to a custodian or settlement agent should ensure that the written confirmation is copied and delivered immediately to the appropriate person within that organisation.

Insofar as Placing Shares are registered in a Placee's name or that of its nominee or in the name of any person for whom a Placee is contracting as agent or that of a nominee for such person, such Placing Shares should, subject as provided below, be so registered free from any liability to UK stamp duty or stamp duty reserve tax. No Placee (or any nominee or other agent acting on behalf of a Placee) will be entitled to receive any fee or commission in connection with the Placing.

No UK stamp duty or stamp duty reserve tax should be payable to the extent that the Placing Shares are issued into CREST to, or to the nominee of, a Placee who holds those shares beneficially (and not as agent or nominee for any other person) within the CREST system and registered in the name of such Placee or such Placee's nominee provided that the Placing Shares are not issued to a person whose business is or includes issuing depositary receipts or the provision of clearance services or to an agent or nominee for any such person.

Any arrangements to issue or transfer the Placing Shares into a depositary receipts system or a clearance service or to hold the Placing Shares as agent or nominee of a person to whom a depositary receipt may be issued or who will hold the Placing Shares in a clearance service, or any arrangements subsequently to transfer the Placing Shares, may give rise to UK stamp duty and/or stamp duty reserve tax, for which neither the Company nor Oriel Securities will be responsible and the Placee to whom (or on behalf of whom, or in respect of the person for whom it is participating in the Placing as an agent or nominee) the allocation, allotment, issue or delivery of Placing Shares has given rise to such UK stamp duty or stamp duty reserve tax undertakes to pay such UK stamp duty or stamp duty reserve tax forthwith and to indemnify on an after-tax basis and to hold harmless the Company and Oriel Securities in the event that any of the Company and/ or Oriel Securities incurs or has incurred any such liability to UK stamp duty or stamp duty reserve tax. In addition, Placees should note that they will be liable to pay any stamp duty and all other stamp, issue, securities, transfer, registration, documentary or other duties or taxes (including any interest, fines or penalties relating thereto) payable outside the UK by them or any other person on the

subscription by them for any Placing Shares or the agreement by them to subscribe for any Placing Shares.

When a Placee or person acting on behalf of the Placee is dealing with Oriel Securities, any money held in an account with Oriel Securities on behalf of the Placee and/or any person acting on behalf of the Placee will not be treated as client money within the meaning of the FSA Rules. The Placee acknowledges that the money will not be subject to the protections conferred by the client money rules; as a consequence, this money will not be segregated from Oriel Securities' money in accordance with the client money rules and will be used by Oriel Securities in the course of its own business; and the Placee will rank only as a general creditor of Oriel Securities.

#### 5. No prospectus

No prospectus has been or will be submitted for approval by the FSA in relation to the Placing or the Placing Shares. Placees' commitments in respect of Placing Shares will be made solely on the basis of the information contained in this announcement and on the terms contained in it. Each Placee, by accepting a participation in the Placing, undertakes that it has neither received nor relied on any other information, representation, warranty or statement made by or on behalf of Oriel Securities or the Company and neither the Company nor Oriel Securities will be liable for any Placee's decision to participate in the Placing based on any other information, representation, warranty or statement. Each Placee acknowledges and agrees that it has relied on this announcement and its own investigation of the business, financial or other position of the Company in accepting a participation in the Placing. Nothing in this paragraph shall exclude the liability of any person for fraudulent misrepresentation.

#### 6. Placing Shares

The Placing Shares will, when issued, be credited as fully paid and will be issued subject to the Company's Memorandum and Articles of Association and will rank *pari passu* in all respects with the existing Ordinary Shares in issue on Admission. Application will be made for the admission of the Placing Shares to trading on AIM. It is expected that Admission will take place, and dealings in the Placing Shares will commence, on 1 December 2009.

#### 7. Placing Agreement

Oriel Securities has agreed, on the terms and subject to the conditions set out in the placing agreement dated 26 November 2009 and made between the Company and Oriel Securities (the "Placing Agreement"), to use its reasonable endeavours as agent of the Company to procure persons to acquire all of the Placing Shares at the Placing Price. The Placing has not been underwritten.

#### 8. Placing conditions

The Placing is conditional, *inter alia*, on (i) the Placing Agreement not being terminated in accordance with its terms, (ii) Admission taking place not later than 8.00 a.m. on 1 December 2009, and (iii) the Placing Agreement becoming otherwise unconditional in all other respects.

Oriel Securities reserves the right (with the agreement of the Company) to waive or extend the time and/or date for the fulfilment of any of the conditions in the Placing Agreement to a time no later than 8.00 a.m. on 11 December 2009 (the "Long Stop Date").

If any condition in the Placing Agreement is not fulfilled or waived by Oriel Securities by the relevant time, the Placing will lapse and each Placee's rights and obligations pursuant to the Placing shall cease and terminate at such time.

The Placing Agreement may be terminated by Oriel Securities at any time prior to Admission in certain circumstances including, inter alia, following a material breach of the Placing Agreement or the warranties by the Company or the occurrence of certain force majeure events. The exercise of any right of termination pursuant to the Placing Agreement, any waiver of any condition in the Placing Agreement and any decision by Oriel Securities whether or not to extend the time for satisfaction of any condition in the Placing Agreement or otherwise in respect of the Placing shall be within Oriel Securities' absolute discretion. Oriel Securities shall have no liability to any Placee in the event of any such termination, waiver or extension or in respect of any decision whether to exercise any such right of termination, waiver or extension. The Company will inform each Placee if Oriel Securities' obligations under the Placing Agreement do not become unconditional by 8.00 a.m. on 1 December 2009, or such later time and date as Oriel Securities may in its absolute discretion determine (being no later than 8.00 a.m. on the Long Stop Date).

#### 9. Payment default

A Placee's entitlement to receive any Placing Shares will be conditional on Oriel Securities' receipt of payment from the relevant Placee by the relevant time to be stated in the written confirmation referred to above, or by such later time and date as Oriel Securities may in its absolute discretion determine. Oriel Securities may, in its absolute discretion, waive such condition, and shall not be liable to any Placee in the event of it deciding whether to waive or not to waive such condition.

If any Placee fails to make such payment by the required time for any Placing Shares (1) the Company may release itself (if it decides in its absolute discretion to do so) and will be released from all obligations it may have to allot and/or issue any such Placing Shares to such Placee or at its direction which are then unallotted and/or unissued, (2) the Company may exercise all rights of lien, forfeiture and set-off over and in respect of any such Placing Shares to the fullest extent permitted under its Articles of Association or otherwise by law and to the extent that such Placee then has any interest in or rights in respect of any such shares, (3) the Company or, as applicable, Oriel Securities may sell (and each of them is irrevocably authorised by such Placee to do so) all or any of such shares on such Placee's behalf and then retain from the proceeds, for the account and benefit of the Company or, where applicable, Oriel Securities (i) any amount up to the total amount due to it as, or in respect of, subscription monies, or as interest on such monies, for any Placing Shares, (ii) any amount required to cover any stamp duty or stamp duty reserve tax arising on the sale, and (iii) any amount required to cover dealing costs and/or commissions necessarily or reasonably incurred by it in respect of such sale, and (4) such Placee shall remain liable to the Company and to Oriel Securities for the full amount of any losses and of any costs which it may suffer or incur as a result of it (i) not receiving payment in full for such Placing Shares by the required time, and/or (ii) the sale of any such Placing Shares to any other person at whatever price and on whatever terms are actually obtained for such sale by or for it. Interest may be charged in respect of payments not received by Oriel Securities for value by the required time referred to above at the rate of two percentage points above the current Bank Rate of the Bank of England.

#### 10. Placees' warranties and undertakings to the Company and Oriel Securities

By orally agreeing with Oriel Securities to acquire Placing Shares under the Placing, a Placee irrevocably represents, warrants, undertakes and acknowledges to each of the Company and Oriel Securities, on behalf of itself and each company in its Group (if any) ("Group" meaning in relation
